Arbitration & Dispute Resolution

Experience, Intelligence, and Credibility

Arbitration and mediation can be excellent alternatives to litigation. At **Farahat & Co.** we know that the right outcome for your arbitration or mediation is all about the experience, intelligence, and credibility of the neutrals you select. We pursue truly MERIT BASED outcomes that make good business sense, not just compromises that push both parties towards the middle.

Corporate / Private Financing

Finding the Resources you need -Quickly

Evaluating the compliance with the bank's loan policy and prudent lending practices, assessing the practicality of risk ratings assigned to individual loans, and identifying credit and collateral documentation exceptions are all part of our meticulous loan file review that assesses the overall quality of your loan portfolio. Additionally, we will analyze the capability of the allowance for loan losses.

- Corporate Financing
- Home Mortgage Finances
- Interest Rate Risk Management

Financial Advisory Services

How you can be in Better Control of your Financial Affairs?

Typically, companies or significant shareholders, engage our services as financial advisers to assist in the analysis of a range of investment banking issues, including:

- Providing fair opinions for a corporate board of directors to evaluate the financial merits of an offer to purchase all or a portion of the assets or securities of a company
- Reviewing alternatives for enhancing shareholder value
- Developing and implementing corporate recapitalization strategies
- Offering restructuring assistance for companies seeking to renegotiate or refinance corporate obligations
- Providing appraisals of fair market value for shareholders of large, illiquid security holdings

Forensic Accounting & Fraud

Examination

Our Professionals have Undergone Extensive Training & are certified in Fraud Examination?

Forensic Accounting Experts at **Farahat & Co.** believe that we do not 'win' or 'lose' cases. We seek only the truth, and conduct evaluations, examinations and inquiries, and report the true results of their findings in an unbiased and objective manner.

Intellectual Property

Protecting your Intangible Assets

Governments must also ensure that new inventions will be properly disseminated so that society may enjoy the advantages of new innovations. Our IP services help achieve this and cover the following:

- Trademarks
- Domain Names
- Copyrights
- Patents
- Industrial Designs

Legal Consulting

State of the Art Solutions for Litigation

Since our establishment in 1985, we have set our goals high and take great pride in our court litigation experience and years of mediation. If clients are involved in disputes, whether in their international or domestic market, **Farahat & Co.** through its analysis will generate a quick cost effective solution to resolve the dispute.

Reorganization Services

Solutions to Enhance the Growth, Competitiveness & Profitability

Reorganisation practice at **Farahat & Co.** comprises of professionals who provide a broad continuum of accounting and business advisory services, to support mergers, acquisitions, business turnaround, liquidity management, valuation, investment and financing structures, disposition alternatives and post-transaction activities.

Industries
